## VOLUNTEER ACKNOWLEDGEMENT

It is imperative that all swim team parents help out during home meets to help the GISA league run smoothly. This can mean either being a timer for 1/2 a meet up unto Clerk of Course etc. Definitions of these roles can be found on the last page of this registration package. During the team registration meeting a volunteer sheet for each home meet will be available. Please fill in your name next to a spot you will be able to fulfill. We will then forward this to the rest of the team and post it on the pool bulletin board to be filled out further up until each meet.

Are you interested in helping in a larger role for the team (critical to ensure meets run smoothly) and or being part of the Parent Swim Team Committee? If yes, please contact Taylor Smith directly.

I have read and understand all swim parents must volunteer during the season  \_\_\_\_\_

# **Swim Team Terminology:**

## **(For those new to Swim Team)**

**Event**-each meet is broken up into events. Each event is specified by age group, gender and stroke.

**Example** - Event 1: Girls 7-8 freestyle, Event 2 Boys 7-8 freestyle and so forth.

**Heat**- each event is divided up into heats. The slowest swimmers swim in the first heat, the fastest in the last. Most pools have 5-6 lanes, so heats will have up to 5-6 swimmers. The number of heats per event is determined by the number of swimmers.

**Heat Sheets**- a list of the order of events and heats. You can purchase one at each swim meet so you can follow the order of events and know when your child is swimming.

**Volunteer**: something that each parent is required to do at the swim meets. It takes 36 volunteers to run a swim meet.

**Clerk of Course**- a parent volunteer who organizes the swimmers within each event. At least one is needed from each team.

**Timer**- a parent volunteer who stands at the end of the lane and times swimmers as they swim. 12 timers are needed at each meet.

**Heat Timer**- a parent volunteer from the home team who carries a back-up stop watch in case a timer misses the start.

**Runner**- a parent volunteer who carries event cards from the clerk of course to the timers and finish judges and then from the timers to the computer. 2 are needed from each team.

**Finish Judges**- a parent volunteer who sits at the finishing end of the pool and writes down the order in which swimmers finish. Two are needed from each team.

**Computer Operator**- a parent volunteer who enters times from each heat as the runner brings in the event sheets.

**Meet Referee**- a parent volunteer from the hosting team whose job it is to oversee any contested result. Also, it is their responsibility to call a meet due to impending weather threats.
